"Cocaine Anonymous is a fellowship of men and women who share their experience, strength and hope with each other that they may solve their common problem, and help others to recover from their addiction."

"Our program of recovery was adapted from the program developed by Alcoholics Anonymous in 1935. Like AA (with which we are not affiliated), we use the [Twelve Step](#) recovery method, which involves service to others as a path towards recovery from addiction."

"Our primary purpose is to stay free from cocaine and all other mind-altering substances, and to help others achieve the same freedom."
